Last year's conference – *Mediate and Negotiate* – had close to 150 participants in what was a practical and interactive educational event.

This year, we will be exploring the following topics with experienced adjusters and lawyers:

- 1) Adjuster's Notes – the Dos and Don'ts
- 2) Witness and Insured Statements
- 3) Mock Examination for Discovery of an adjuster

We look forward to improving on an already educational and engaging event for our attendees.

Yours very truly,

**Kawartha Durham OIAA & Forget Smith Morel**
